CONSENT JUDGMENT

This matter is before the Court on the parties' Stipulation to Entry of
Consent Judgment and the Court being fully advised in the premises,

IT IS ORDERED THAT:

1. Plaintiffs Trustees of the Electrical Workers' Insurance Fund
("Insurance Fund") have and recover Judgment from Defendant Albert Golston in

the amount of \$10,095.66,¹ and Plaintiffs shall have execution therefor.

2. Interest will accrue at the rate of four percent (4.00%) per annum from March 15, 2019.

3. Execution on the amounts set forth in paragraphs 1 and 2 shall not issue so long as defendant pays the judgment debt in monthly installment payments of \$250.00, plus interest at the rate of four percent (4.00%) per annum, from March 15, 2019, by checks payable to “Electrical Workers’ Insurance Fund” which must be received in the offices of Plaintiffs’ counsel, Hope L. Calati, 1423 E. Twelve Mile Rd., Madison Heights, MI 48071. These monthly installment payments of \$250.00 shall be paid on or before the 3rd day of every month from September 3, 2021 and each month thereafter. There is no penalty for pre-payment.

4. Defendant shall be in default of this Consent Judgment if any of the payments described in Paragraph 3 are not received within five (5) business days of a notice of failure to timely pay installment sent via e-mail and first class mail to Golston.

¹The amount of \$10,095.66 is the sum of \$9,620.00 in benefits Plaintiffs paid to Mr. Golston to which Mr. Golston was not entitled to retain, less the \$524.34 Mr. Golston paid the Insurance Fund plus \$1,000.00 in costs and fees expended by plaintiffs in this matter.

5. If payment has not been received after late payment and notice of failure to timely pay installment, a default has occurred; then, without further application, notice, hearing or court order the entire amount of this Judgment, which is \$10,095.66, less any payments received, plus all accrued interest shall automatically be accelerated and become immediately due and payable; and Plaintiffs shall be entitled to enforce this Judgment, and exercise all of their creditor rights and remedies through all available means and have full rights of execution thereon.

6. Acceptance by the Plaintiffs of any monthly installment payments after their respective due dates shall not alter any of Defendant's obligations under this Judgment and shall not serve as a waiver of any of Plaintiffs' rights under this Judgment.

7. This Court shall retain jurisdiction over this matter for purposes of enforcement of the provisions of this Judgment.
